## Natural Skin Rejuvenator

**Manufactured by Morningstar Minerals, Farmington, New Mexico**

Derma Boost Skin Rejuvenator is an organic, all natural spray-on skin conditioner and restorer.

It is formulated from naturally occurring Humic Acid (100%), Fulvic Acid and Colloidal Silver in purified water.

### Fulvic Acid:

- is a key active ingredient.
- is a key component in proper cellular metabolism.
- helps skin cells more efficiently take in nutrients, expel metabolic wastes and environmental pollutants.
- carries over seventy essential minerals and important amino acids.
- is totally safe, has never exhibited adverse side effects in use.
- assists skins cells in the process of skin repair and regeneration.

Derma Boost works by supplying the most essential skin nutrients in a highly absorbable spray.

Users report dramatic improvements in skin tone, elasticity and smoothness in just a few weeks use.

Results can be seen after its very first application.

Regular use of Derma Boost dramatically reduces the physical affects of aging and weather.
